

Otto Mueller: Picture "Nude Washing Herself" (around 1920) (Unique piece)

Product no.: IN-946382.R1

Standing in an independent expressionist position, Mueller creates works of impressive clarity and simplicity. Mueller typically outlines the childlike, angular bodies of his nudes in dark colours.

The present work "Nude Washing Herself" from 1920 also symbolises this clear artistic form concept. Mueller's colour palette remains straightforward in his work: warm and muted, yellowish and pale blue with a lyrical, decorative effect.

With the retracted contours, fleeting silhouettes, and a flat representation of the nude, this unique piece becomes a typical expressionist work by Otto Mueller.
