

Rainer Fetting: Picture "Willy VII" (1996)

€2,300.00

Product no.: IN-014593.50

Rainer Fetting portrayed the former chancellor as a student in the 1970s. He never met Willy Brandt in person. He used photographs and film footage as models for his works. This is probably how he created his best-known work, the Willy Brandt statue in the atrium of the Willy Brandt House in Berlin. Based on the statue's face, he created a series of colour serigraphs.

Original colour serigraph, 1996. Edition of 50 copies on handmade paper, numbered and signed by hand. Motif size/sheet size 122.5 cm x 86 cm. Size in frame 129 x 92.5 cm as shown.
