

Lyonel Feininger: Picture "Two Boats on the Sea at Sundown" (1934) (Unique piece)

Product no.: IN-949962.R1

The present colour chalk drawing was created ten years after the work "Wolken über'm Meer", also in the town of Deep on the Baltic Sea. Feininger was particularly fascinated by the sunsets over the sea. He went to the beach every day to watch them and realised that no two were the same. He describes them in enthusiastic letters to Julia: "Of a silver-coloured sunset with the sky full of soft misty clouds and concentrated by wonderful clouds, in motion, swept inland by the storm; behind them radially rising cirrus clouds with unbelievably delicate hues, pink on an apple-blue and plum-blue sky background". He recorded his impressions in drawings in chalk and pencil on paper. In 1935, Feininger emigrated to the USA with his wife and never returned to the Baltic Sea.

Coloured chalk and pencil on paper, 1934, dated. With certificate from Achim Moeller, The Lyonel Feininger Project LLC. Motif size/sheet size 14 x 22 cm. Size in frame 31 x 39 cm as shown.
